

Together against Covid-19 Pandemic

BioRN Member interested in cooperation: Recherche und Beratung

Member Profile: <https://www.biorn.org/member/Recherche-und-Beratung%2C-Henrik-Schreiber>

Contact Person (Name and Position):

Henrik Schreiber, Chief Executive Officer and Certified QPIP-Information Professional
Dr. Katrin Ridinger, Certified QPIP-Information Professional

What can we offer:

- A professional information search service in the area of patents and literature around COVID 19
- By our deep knowledge in chemistry, life sciences, technology we will fish out the required information
- We provide you by public-free data, public hidden-data and commerciable available data
- We perform competitor analysis e.g. in the area of COVID 19 diagnostics
- Information in the COVID 19 R&D field can save your research time and costs

What are we looking for:

We intend to provide any BioRN Member with the well-needed Information regarding your research in COVID-19

We can also teach you how to search for information when you stay at home during your lab-free time
