

Together against Covid-19 Pandemic

BioRN Member interested in cooperation: Merck KGaA

Member Profile: <https://www.biorn.org/member/Merck-KGaA>

Contact Person (Name and Position):

Michael Anderson Burley
Director, Business Development Europe
Life Science | Research Solutions

What can we offer: Product development & commercialization partnership.

What are we looking for:

- 1-step RT-PCR kits or other assays related to COVID-19 testing
- COVID-19 antibody related products i.e. standalone antibodies, conjugated antibodies, COVID-19 antigens & recombinant proteins
- Other suggestions for research needs in the current COVID-19 context.
